ABOUT US

SPICE & MORE is a specialized spices trading and packaging company based in Doha, Qatar. The company was established to meet the growing demand for high-quality, carefully-crafted spice blends in the region. With years of experience inherited from global leaders in the spices industry, we combine scientific knowledge with practical expertise to deliver flavors that elevate every kitchen.

We work closely with our clients to understand their unique taste, culture, and culinary identity. Whether for home kitchens, restaurants, retail brands, or large department stores, we develop customized spice blends that reflect individual preference and personality. Our approach is built on strong partnerships with trusted international suppliers and planters, ensuring we select the finest ingredients and maintain consistent quality.
